Projects

Vibe Commerce Full-Stack E-Commerce Platform	GitHub Repo Live
• Developed a full-stack e-commerce app with secure Google OAuth 2.0 login and JWT -based stateless sessions.	
• Engineered the checkout process with Razorpay and PostgreSQL Transactions, ensuring stock levels are only decremented after server-side payment verification, guaranteeing atomic data integrity.	
• Implemented live inventory tracking (e.g., "Only 5 left!"), persistent order history, and a cart with full quantity management.	
• Designed a performance optimized product query system using in-memory caching with a cache invalidation strategy that clears the cache upon a successful sale to display real-time stock.	
• Tech Stack: React (Vite), Node.js, Express, PostgreSQL (NeonDB), Passport.js, JWT, Razorpay.	
Slot Swapper Full Stack P2P time-slot scheduling application	GitHub Repo Live
• Developed a full-stack, peer-to-peer scheduling web app for users to swap calendar time slots.	
• Engineered a secure REST API with Node/Express and JWT (JSON Web Tokens) for user authentication and session management.	
• Implemented atomic swap logic using PostgreSQL transactions to ensure data integrity, preventing partial or failed exchanges.	
• Deployed the complete application to Vercel, integrating with a Neon (PostgreSQL) cloud database and GitHub for CI/CD.	
• Tech Stack: React, Node.js, Express.js, PostgreSQL (Neon), JWT, Vercel	

Certifications

- **Problem Solving (Intermediate)** - *HackerRank*
- **The Complete 2024 Web Development Bootcamp** - *Udemy*

Competitive Programming

- **Codeforces:** Achieved a max rating of **1202 (Pupil)**. (Profile: VarZ)
- **TakeUForward:** Solved over 350+ DSA problems, demonstrating a strong foundation in Data Structures and

Algorithms. (Profile)

Achievements & Extracurriculars

- **JEE Mains 2024:** Secured **98.14 percentile**, a top-tier rank among over 1.2 million candidates.
- **National Level Athlete:** Represented Chhattisgarh in two National Swimming Championships (SFI).
- **Competitive Gaming:** Achieved **Immortal 2** rank in Valorant, placing in the top 5000 on the Asia server.
